

# Band of Gold Boosters

Executive Board Meeting with PSJHS Principal  
and Band Director  
27 July 2022

## I. Attendees

Mitch Bouington  
Sissy Godwin  
Jamey Parham

## II. Purpose of meeting

The executive board requested a meeting with the principal and band director to inform them of the band boosters' mission of assisting as needed this school year. The following items were discussed:

### Announcements Through the School

The question was asked if it would be possible to make announcement through the school for the booster club. Mrs. Godwin, stated this would not be an issue. We discussed putting together welcome letters which could be sent out to band parents/guardians and Mrs. Godwin stated we could provide the materials and they would address and mail. The booster club would reimburse the school for postage.

### Concession Drinks

A discussion around purchasing drinks from the Junior class was had and we covered how we purchased from the Junior concession stand for our last game. This arrangement worked out pretty well and it was agreed this could be continued again this year. The goal was that patrons would not have to stand in line twice to get food and then to get a drink.

### Tri-State, Solo, and Ensemble

This was brought up it was expressed with the state of FL it is an all or none type of arrangement. If students participate in solo and ensemble the band is also expected to participate in the judged events. Due to past experiences with this and the size of the band there is apprehension about doing these events. There is concern over negative outcomes for the students.

### Concession Funds

Mrs. Godwin asked about how the organization is set up for handling funds etc. It was explained we are a 501(c)3 and that we have a business banking account set up. She agreed that she would ask Mr. Norton about turning over funds currently being maintained by the school, back to the organization.

### Sponsorship Announcements at Football Games

A question was asked regarding the announcement of sponsors for band camp. It was stated that Bobby Nobles would most likely be very willing to announce the sponsorships at the football games. The organization will need to put together a script which can be read at the games.

### Fundraising Suggestions

Mrs. Godwin mentioned the following fundraising ideas:

- Snap Rays
- Banners

### Daleville Competition

The band will be attending Daleville competition again this year and it is scheduled for 8 October.
