IV. Old Business

a. Uniform

Samples have not been received from Mr. Bouington and it has been agreed upon that it is now too late to order uniforms in time for next year. However, board will continue asking for samples in hopes of securing new uniforms for the following year.

b. Trip

Band members decided that they would like to go to Dollywood for their end of the year trip. Chaperones will need to pass a background check and the Boosters will need to secure a charter bus. Members need to decide where bus should depart from. There is 16,000 budgeted for the full band for this trip.

c. Tshirt order

Bonnie is reordering Tshirts for members with names misspelled.

d. Trailer Tag

Jamey stated that trailer tag needed to be renewed in June and that the renewal should come to the PO Box.

e. Concessions

Brian said we still need to give the 5% concessions donation to the athletics dept for use of the concession stand, totaling \$352.54.

Also, there were a few items left in freezer such as bags of fries that have been donated to the PSJ baseball team for their concessions.

V. New Business

a. Next Booster Meeting

April 4th will be the next Booster meeting. The agenda will be the banquet, voting on next year board members and the end of the year trip to Dollywood. Jamey has typed a letter to be sent to all band member parents concerning the need for next year's members. Mrs. Godwin said she would produce a mailing list and mail out letters. The hope is that the families receive them in time for the next meeting and along with social advertising, we will have a better turn out for the next meeting and be able to elect new members for next year.

b. Banquet

Bonnie will begin securing some quotes for catering from Sparks, Pomodoro's, and Sister's. Board discussed having a RSVP sent out so that we can get a semi accurate head count.

c. Taxes

Jamey stated that he had to get Booster taxes filed by May 1st

d. Board Positions 2023/24

Advertising for new members will be done through the mail out letter to parents and through social media postings. The hope is to elect new members at the next meeting or at least gain interest in the positions. It was discussed that ByLaws should possibly be edited to be more inclusive to those other than parents of band members since our community has many merchants and stakeholders that enjoy helping the Boosters. It was also discussed that the Boosters could possibly give stickers, signs, t-shirts etc to advertise those that support the Boosters.

VI. Adjourn

Meeting was adjourned at 7:50 pm.
