IV. Old Business

a. Uniform

Jamey said that he was told that the students had agreed on and ordered their new uniforms but he had not confirmed that with Mitch yet. Will follow up.

b. Trip

There still has not been a trip date agreed upon so it will need to be addressed at the next meeting.

c. Tshirt order

Bonnie is reordered Tshirts and is waiting on them. They were not ready yet.

d. Trailer Tag

Sabrina renewed the trailer tag and submitted a receipt for reimbursement.

e. Banquet

Bonnie said it sounds like Provisions is the way to go on catering so she will secure the hard quote and get back to us. Also, we will order desert donuts from Sweet Buns.

V. New Business

a. Next Booster Meeting

May 9 will be the next meeting and hopefully we can vote new members onto the board. The agenda will be nominations/voting, End of year trip, banquet and concert.

b. Bylaws Change

It was discussed that certain procedures may need to be written into the Bylaws as a means to having a uniform procedure year after year. For example, the way invoices are handled and paid out. It merits some attention and could be easier to write it in so that it is standard operating procedure.

VI. Adjourn

Meeting was adjourned at 7:30 pm.
